AUTHORITY
This certification notice is issued under the authority of the Federal Information Security Management Act of 2002 (Pub.L No 107-307. Title 8.

USER AGREEMENT
By selecting the "I Accept" items I signify the understanding and acceptance of these policies and practices concerning access to the Commerce Business Systems (CBS) and that I will be held accountable for any breach of these policies and practices. CBS is a U.S. Government computer system used to conduct official Government business and shall be conducted in a manner above reproach and in accordance with the highest ethical standards to ensure the confidentiality in the integrity of the Government, its employees and systems.

1. I understand that the CBS systems are U.S. Government systems for the purpose of conducting official Government business
2. I understand the User ID and any other information related to access and use of the CBS systems are considered sensitive
3. I will not enter classified information into the CBS systems
4. I will protect my personal password from disclosure
5. I will log off or otherwise restrict access to any CBS system session when I am not personally attending to it
6. If I suspect someone else has tried to learn my password or fraudulently gain access to the CBS systems, I will immediately report the incident to my supervisor.

NON-DISCLOSURE AGREEMENT

As an employee or contractor of the Department of Commerce (DOC) with access to the National Oceanic and Atmospheric Administration (NOAA) Commerce Business Systems (CBS), you are required to be aware of, and comply with all applicable laws, regulations, not limited to the Privacy Act of 1974, Computer Fraud and Abuse Act of 1988, DOC Policy on Password Management, NOAA Information Technology (IT) Security Policy, and the NOAA Rules of Behavior. All users must complete the IT Security Awareness Training course every year to obtain and/or continue access to NOAA IT resources.

The CBS is an integrated financial management system intended to assist bureaus in complying with sound federal accounting practices. The CBS is a collection of administrative / management systems that are integrated with the Core Financial System (CFS). The administrative systems include budget information, requisitions and procurement, time reporting, personnel and payroll, property, purchase card, travel and grants. The CFS modules include Data Warehouse, Labor Distribution, General Ledger, Cost Accumulation, Budget Execution and Funds Management, Accounts Receivable, Accounts Payable and other standard interfaces.

The information and data, if disclosed to unauthorized sources, could violate the Privacy Act, OMB M06-16 (PII) and/or result in financial loss or adverse legal actions.

I hereby consent to this agreement in consideration for my being granted conditional access containing sensitive but _unclassified information, personally identifiable information and privacy act information_ concerning financial acquisition, travel, human resources, real or personal property, budget and other areas. Information may be in the form of system data, files and records, contract data, analyses, memos meeting content, conversations, or any other form. I understand and agree to the following terms and conditions:

- I will only access, or attempt to access, _sensitive but unclassified information_ systems for which I am granted conditional access authorization and have a "need to know/access".

- I will not divulge my password(s) or share them with any other person.

- I will not disclose or extract any confidential data, Privacy Act / PII data, employee information, or bureau specific sensitive but unclassified information which could adversely affect the Government's interest or the privacy to which individuals are entitled.

- I will not use, release, or disclose any _sensitive but unclassified information_, in any form whatsoever, to any person or entity other than authorized individuals without written authorization. _Note: Individuals providing services under contractual arrangements cannot share information with their company/organization nor with any other external individual, corporation, business, or organization._

- I will protect _sensitive but unclassified information_ in accordance with the provisions of the Privacy Act, OMB M06-16 (PII) and other pertinent laws and regulations governing the confidentiality of privileged information. If I become aware of any improper use, extract, release or disclosure of Privacy Act / PII data or non-public information, I will advise NOAA management and complete the NOAA IT Security Incident Reporting Form as soon as possible. _Note: Contractors are required to provide a copy of this User Agreement to their employers to ensure that they are aware of non-disclosure responsibilities._

- I understand that any unauthorized use, release or disclosure of non-public information in violation of this agreement may subject me to administrative actions that range from a verbal or written warning, removal of system access, reassignment of duties, and/or termination of employment or contract, depending on the severity of the violation.
